Designer India Mahdavi reimagined the interior of Sketch, which includes over 230 drawings by David Shrigley.

The Gallery at Sketch Restaurant by India Mahdavi London

A pink room with chairs and tables that look like lavishly decorated cupcakes or a *fin-de-siècle* tearoom? This place is all about being different. It's a total environment that challenges preconceptions by appealing to our senses in a dramatic way. Apart from its adventurous colour choice, the space is dotted with intriguing details and amusing framed illustrations by David Shrigley.
